TAUP ACTION COMMITTEE GEARING UP

As the TAUP Negotiating Team works toward a contract that enables us to do our best work for Temple's educational and research missions, TAUP's Action Committee stands ready to provide support as needed. In our last negotiations, the Action Committee was instrumental in rallying our membership's strength. It is the group responsible for vigils, publicity, information, and member communication on bargaining progress.

We have a highly experienced and active group meeting regularly, and welcome new members. If you would like to join the Action Committee, please call the TAUP office at 215-204-7641 or email us at taupaft@aol.com.

As we reported last month, TAUP and Temple management have begun negotiating our next contract. TAUP has put forward detailed proposals that address important concerns of all our members--faculty, librarians and academic professionals alike.
