TAUP Pickets Mitten Hall General Meeting Thursday at 12:30

Over 50 union supporters stood out in today's chilly weather to greet guests of the Lew Klein Media Awards event and hand out informational flyers ([click here to see flyer](#)).

TAUP continues to negotiate with Temple under a 30-day extension, but so far has found the university's proposals to be unacceptable.

Tomorrow, Thursday, October 23, TAUP is holding a general meeting for all bargaining unit members, where President and Chief Negotiator Art Hochner, along with the rest of the negotiating team will discuss the status of the talks.

Please come to all or any part of the meeting you can attend and bring your questions.
