## TAUP Action Committee Request

Hello all:

Our next action event is informational picketing before the basketball game next Wednesday, Feb 18 from 6:30 - 7:00 at the front entrance to the Liacouras Center. It is apparent that, without putting pressure on the administration, no reasonable contract in line with TAUP's proposal will be forthcoming. We need you to participate in this event and contact your departmental and other colleagues and urge them to participate too. Also ask them to contact others about this event. Such support sends a powerful message.

Jim Korsh and Tony Ranere  
Co-Chairs, TAUP Action Committee
