## Please Join Us at the Art Museum On Tuesday, March 3

This is a reminder about joining us for the TAUP information dissemination event this Tuesday March 3 from 6 - 7 PM at the west (back) entrance of the Art Museum. Click on [Temple on the Road Philadelphia](#) for more information on this alumni gathering.

Our intent is to carry placards and distribute flyers that publicize the status of our contract negotiations and enlist support. Our actions are not intended to be critical of the alumni gathering nor to disrupt it in any way. Some of you are likely planning on attending the gathering and might want to help us distribute flyers before going in.
