Meeting of Bargaining Unit Members, Tuesday, April 14th, 2:30-5:00 Walk Auditorium, Ritter Hall

We have now been almost six months without a contract. The academic year is rapidly drawing to a close.

- Where are we in negotiations?
- Do you know what TAUP has actually proposed as a fair contract?
- Do you know the implications of the administration's last formal proposal?
- Do you know what you need to do to help get a reasonable contract?

It is vitally important that you attend the meeting for **TAUP bargaining unit members on Tuesday, April 14th from 2:30 to 5:00, in Walk Auditorium, Ritter Hall.**

Please **put this on your calendar now** and make every effort to attend. We want to answer the questions posed above, listen to what you have to say, and discuss:

- Why is the administration playing such hardball in negotiations?
- What actions must we take to get an acceptable contract?
- How can we support the Negotiating Team?
- What kind of environment do you want to work in?
- What is Temple's true financial position?
- Where is President Hart in the negotiations?

Or, you might want to tell us:

- If your workload is being increased
- If colleagues are leaving for other universities
- If you want salary increases to be determined only by your dean
- If you want genuine shared governance
- If you want a strong union

See you at the meeting.

Art Hochner, TAUP President
